

Fiesta Del Sol-San Diego 2010 Healthy Living Pavilion

Attention San Diego Health Community

Pavilion.

We invite you to take part in the 5th Annual Fiesta Del Sol-San Diego Healthy Living

Fiesta Del Sol-San Diego is the only street festival in the heart of San Diego's Latino community that celebrates the history, diverse cultures, and empowerment of the people of San Diego. With over one hundred booths, two entertainment stages, thirty musical and dance performances, and pavilions focusing on healthcare, art, education, citizenship, and other important social issues, Fiesta Del Sol-San Diego is one of a kind!

This year's **Healthy Living Pavilion** seeks to promote an alternative approach to a healthy, holistic lifestyle. This includes traditional medicine in combination with stress management, nutrition, and personal self care. We are seeking and encourage organizations and individuals who are able to provide FREE presentations and sample services (e.g. mini massages, yoga instruction, health screenings, dental care, or sample product giveaways) and information for the general public.

Space will be available for traditional health organizations in the areas of: childhood obesity, diabetes, preventative care, HIV/AIDS, teen pregnancy, immunizations, elder care, alcoholism, and more. Participating in the Healthy Living Pavilion is the perfect opportunity for your organization to reach out to the Latino Community.
